

**St Thomas More Catholic First School**  
*Learning, loving and living together with Christ*

## **Art and Design**

At St Thomas More Catholic First School we teach Art and Design through our topics in a way that aims to stimulate imagination and creativity, this is linked to Cornerstones Curriculum where possible.

Our planned curriculum enables children to communicate what they see, think and feel through the use of colour, texture, form, pattern and different materials, techniques, media and processes.

Children become involved in shaping their environments through art and design activities. They explore ideas and meanings through the work of artists and designers, providing children with historical and cultural understanding. The appreciation and enjoyment of the visual arts enrich all our lives.
