

ST THOMAS MORE CATHOLIC FIRST SCHOOL

Learning, loving and living together with Christ

24th March 2020

Dear Parents and Carers

Thank you for all your help and support over the last few weeks. As you are aware things have changed daily and we are grateful for your patience and understanding.

At Saint Thomas More our faith has always been at the heart of all we do. This has never been more important than now. In school we have ensured we start every day with daily worship. As a school and community, we have so much to be thankful for and as Lent continues our prayers should continue to focus on those less fortunate, the vulnerable, the isolated and the ill as well as those tasked with supporting them. Through prayer we are united although circumstances are keeping us apart. There are many on-line daily prayers, meditation etc and we will also add links through our Liturgy page on the website.

We have set work for those of you supporting your children at home which can be found on our website www.st-thomasmore.worcs.sch.uk. If you go to "Class Pages" and find your child's page, teachers are posting work daily. This includes work and links to helpful websites. We would encourage you to try and establish some sort of routine which includes some physical exercise such as the 'Five a day' (available on Class Pages) getting out into the garden or one of the fitness routines now being posted on You Tube. Our reduced staff does mean we are unable to mark the work the children are completing at home, as this would be unmanageable.

I am distributing a letter that is being circulated across all the Our Lady of Lourdes Multi-Academy Company as we are working closely with them to provide continuity for the children and families that attend more than one school across the MAC. On the 1st April 2020 we officially become a member of the Academy.

I pray that God keeps you all safe.

Yours faithfully

Miss T Moriani, Head Teacher
